Instructions for submitting your contract bids and call-off rates through Inspector Profiles

When it is time for you to populate your rates page in Inspector profiles (IP) you will receive an alert email from Estyn when the tender / call-off area of Inspector Profiles is open to receive bids.

These are the steps you need to take to place termly bids and call-off rates for the current financial year:

- Log into your profile using your VIR user name and password. If you require a reminder or password reset, please email inspectorprofiles@estyn.gov.uk
- At the home page, please click on the Rates tab as indicated in the screen shot below.

Home Page

By logging into your profile you are confirming that the details you have provided are a true record.

Show Picked Combinations

Role / Sector / Language / Local Authority Combination	Call Off Rate	Tender Rate
Lead / Primary / Welsh / Blaenau Gwent County Borough Council	1.00 ×	1.00
Lead / Primary / Welsh / Bridgend County Borough Council	1.00	1.00
Lead / Primary / Welsh / Conwy County Borough Council	2.00	2.00

On this screen you may undertake the following actions;

- amend your rates and submit different pricing; (delete the price shown in the blue box and replacing with a new figure)
- do not amend the current pricing; (submit the same rate as the previous term)
- remove a Local Authority from your existing list; (delete the prices shown in the blue boxes for both call off rate and tender rate – leave the box blank)

Next, click submit rates to Estyn and click save.

Before leaving this screen, click here to "submit rates" then click "save"

You have now successfully submitted your rates.

Should you wish to add an additional LA or LAs to your table of rates you will be required to follow the steps described below.

How to add additional Local Authorities to your existing Rates

On the Rates page, click

To add your daily rate or amend an existing rate, please click [here](#)

- Click on "Show picked combinations"

Your Estyn endorsed roles will be listed, along with the sectors and LAs in which you are eligible to inspect; it is therefore vital that you keep your preclusions under regular review and update accordingly.

Note that for this exercise, "Load existing combinations" can be ignored – this will be relevant in future terms, should you wish to revise your bids.

Click here to display your Estyn endorsed roles and the sectors and LA's you are eligible to inspect
