Dear Ms Robson

## **Adult Learning Wales**

### **Providers requiring Estyn review following core inspection**

As you know, we have reviewed the progress Adult Learning Wales has made since the core inspection and we have considered the evidence submitted to our desk-based review.

### **Outcome of the review**

We judge Adult Learning Wales to have made sufficient progress in respect of the key issues for action following the recent Estyn review. We will now remove the provider from the list of providers requiring Estyn review. There will be no further Estyn visits in relation to this inspection.

Yours sincerely

**Jackie Gapper**
