Pre-inspection questionnaire: parent/carer survey

As a parent/carer, please tell us what you think about the school your child attends. Read each statement considering your own experiences and tick the box that best fits with what you think. For some questions, you will have an opportunity to explain why you have chosen that answer, if you want to.

Your opinion matters to us. We will use your answers to help us understand what you think about your child's school. We may use your answers and the responses of other parents/carers to help us understand what parents/carers think about schools across Wales.

The survey is anonymous. Your responses are confidential and we do not ask for your name.

Estyn inspectors will:

- read your answers
- never disclose your individual responses to your child's school or anyone outside of Estyn

The only time we may share information with other people is if we have concerns about the safety of pupils.
